

Information for Patients Seeking Abortion Care

— Resource Digest —

This guide was compiled by the ACOG Implementing Progress in Abortion Care and Training (IMPACT) Program to help clinicians identify resources available for patients. Resources listed below are for informational purposes only, and inclusion does not imply endorsement by ACOG. This list is not meant to be comprehensive, and exclusion does not reflect the quality of a resource.

The information contained in this resource digest is provided for informational purposes only and should not be construed as legal advice on any subject matter. You should not act or refrain from acting on the basis of any content included in this resource digest without seeking legal or other professional advice.

ACOG cannot provide medical advice for specific patients or clinical scenarios. However, ACOG has the following resources available for patients:

- [ACOG Frequently Asked Questions: Abortion Care](#)
- [ACOG Frequently Asked Questions: Early Pregnancy Loss](#)
- [ACOG Frequently Asked Questions: Pregnancy Choices](#)

In addition, the following patient-focused sites and referral networks are available. Please note that this is not a comprehensive list of available resources and ACOG does not endorse any particular resource:

- [Abortion Care Network: Abortion Care Providers](#)
- [Abortion Finder](#)
- [All-Options: Abortion](#)
- [I Need an Abortion](#)
- [Later Abortion Initiative](#)
- [National Abortion Federation: Find a Provider](#)
- [National Abortion Federation: Hotline Fund](#)
- [National Network of Abortion Funds: Find a Clinic](#)
- [National Network of Abortion Funds: Find a Fund](#)
- [Need Abortion—Abortion is Healthcare \(Texas-Specific Resources\)](#)
- [Planned Parenthood Federation of America: Abortion Care Finder](#)
- [Planned Parenthood Federation of America: Where Do I Get an In-Clinic Abortion?](#)

This resource was last updated on January 9, 2023. Please visit the IMPACT Program at [acog.org/impact](https://www.acog.org/impact) for more information or email impact@acog.org with suggestions or comments. This information is designed as an educational resource to aid clinicians in providing obstetric and gynecologic care and use of this information is voluntary. This information should not be considered as inclusive of all proper treatments or methods of care or as a statement of the standard of care. It is not intended to substitute for the independent professional judgment of the treating clinician. Variations in practice may be warranted when, in the reasonable judgment of the treating clinician, such course of action is indicated by the condition of the patient, limitations of available resources, or advances in knowledge or technology. The American College of Obstetricians and Gynecologists reviews its publications regularly; however, its publications may not reflect the most recent evidence.
